Kiss in the Blue

● Synopsis

★ Saeki Chise has no recollection of the summer three years ago. Every year during the turn of the summer, she would dream of her days in middle school. While it may seem that her memories are returning to her, her head begins to ache and Chise stops trying to remember. One day, Chise receives help from her classmate, Katsuragi Kaoru, a delinquent who often skips school. With indescribable feelings, Chise now finds herself deeply attracted to him.
